Missionaries to Alaska

KIDS & YOUTH MINISTRY

The kids in Saint Michael are getting the benefit of our latest improvements to the ministry! We have altered our schedule to give kids their own midday service with video lessons, puppet messages and games. We have also moved the kids and youth into their own building next to the big church. That's right, the Quonset hut is now fully operational thanks in large part to Gateway church in Chugiach. With the funds for

a new heater, we were able to complete the final step in making the building available for after school and evening activities. THANKS! We are really excited about providing this safe place to come and have fun and learn about Jesus!

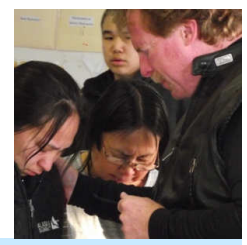

Upon returning to Alaska in July after our quick trip to California, we jumped right into planning a Wedding. Jeffrey and Alison, not only committed their lives to one another, they also had both

recently accepted Jesus and began their life as husband and wife together with Christ in the center!

Upcoming Event

Lost Lamb Ministries with Tiff Shettlesworth will be returning to St. Michael for a second set of evangelistic style meetings in October. Please pray that hearts would be open by the power of the Holy Spirit to hear the Good News of Jesus!

*Jesus said, "I am the light of the world. If you follow me, you won't have to walk in darkness, because you will have the light that leads to life."
Mark 8:12*

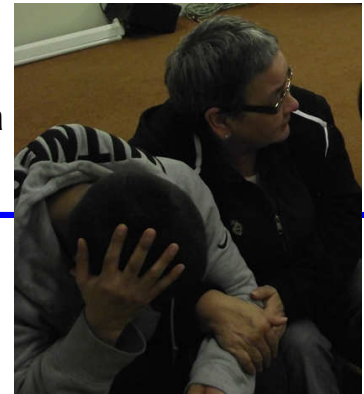

We had an awesome 3 day revival. Pastor Austin Jones from Emmonak came with Pastor Jimmy from Kotlik as well as Matt and Phillip from Emmonak. During this 3 day event over 20 people gave their heart to the Lord, 7 for the first time!

Thank you Jesus! An elder in the village has suffered for many years with arthritis. We saw God heal her instantly and she danced and praised Jesus! Thank you Holy Spirit for your healing power! This was not just a one time event. The people have committed to coming to church. It is exciting to watch them grow and learn more about their Savior, Jesus.

Thank you to Northern California Nevada District, Light for the Lost. During this event and since we have given out many Bibles, to people who have never owned a Bible before. It is a special privilege to be able to give someone their first Bible.

We finally put in the new floor!

We will be making a quick trip to California in May and June. We have a few dates left and would love to come visit and share with your church more about what God is doing in Alaska and St. Michael. If you would like us to come by, please contact us. May God continue to bless you.

Brian and Linda

Thank you

Thank you so much to everyone who has sent books, DVD's and CD's for our lending library. It has been a blessing to the community. We are thankful to have positive resources to share.
